## X-Line-0

|                       |                                    |
|-----------------------|------------------------------------|
| Lenght (mm)           | 1200                               |
| Width (mm)            | 90                                 |
| Height (mm)           | 49                                 |
| System power (W)      | 28w/35w/36w/40w                    |
| Luminous flow (lm)    | 4480lm/5600lm/5760lm/6400lm        |
| Voltage               | 220 - 240VAC                       |
| Degree of protection  | I                                  |
| Luminaire life (h)    | 50'000                             |
| Driver lifetime (h)   | 50'000                             |
| Beam angle            | Double asymetrique                 |
| Finishing             | Black                              |
| Light source          | SMD                                |
| MacAdam               | <3                                 |
| IRC                   | 80Ra                               |
| Diffuser              | Optique                            |
| Fixation              | Quart de tour                      |
| CDL type              | Direct                             |
| Connection            | Rail Global 4 conducteurs triphasé |
| Driver output voltage | 220 - 240VAC                       |
| Protection class      | I                                  |
| Matter                | Acier                              |
| Warranty              | 5ans                               |
| Color temperature     | 3000K                              |
| Light regulation      | Dali                               |
| Operating temperature | -25° +60°C                         |
| Efficiency            | 160lm/W                            |
